

## What to Bring to The Outpost

Mountain weather can be very unpredictable. Mornings and evenings are cool even in midsummer. It is a good idea to choose clothing that can be layered for extra warmth. You can always remove what you don't need. We suggest the following items:

- ✓ A complete change of clothing
- ✓ Warm coat
- ✓ Rain gear (oilskin slicker preferred, no ponchos)
- ✓ Shirts (turtleneck or long sleeve shirt, 1 or 2 T shirts)
- ✓ Jeans (1 or 2 pairs; riding britches as alternative)
- ✓ Sweatshirts (1 or 2)
- ✓ Narrow footwear (with a heel preferably for safety, some hiking boots are suitable)
- ✓ Comfortable shoes to wear around The Outpost
- ✓ Slippers to wear in the lodge
- ✓ Hat with a brim (baseball cap or cowboy hat will keep your neck dry in rainy weather)
- ✓ Riding gloves
- ✓ Toiletries (biodegradable recommended)
- ✓ Sunscreen
- ✓ Bug repellent
- ✓ Camera (extra film and/or batteries)
- ✓ Flashlight or headlamp
- ✓ Swim suit for the hot tub, and the more adventuresome, the river!
- ✓ Optional: Chaps, saddle bags, fishing gear (season begins June 15 every year)
- ✓ Riding Helmets are highly recommended. If you choose to ride without suitable protective headgear (e.g. biking helmets or riding helmets) you must sign a release and indemnity agreement before horseback riding. Minors (under 18 years of age) are required to wear helmets as a condition of our insurance. We do not rent or sell riding helmets, as we are not experts in fitting helmets.

*Please note that we are not licensed to sell liquor, beer or wine. Feel free to bring in your own.*
